**Market Commentary:**

The market on calves was steady compared to last sale; except for weaned calves and steers weighing 5-600lbs which were \$5-10.00 higher.

We had 250 weaned calves and that market was \$5-10.00 higher.

Larger calves weighing 650-750lbs were \$1-2.00 lower.

Packer cows were about steady to our last sale before the holiday break.

No test on young bred cows. Older bred cows were steady with moderate demand.
